

Narcotics Anonymous (NA) PREAMBLE

"Everything that occurs in the course of NA service must be motivated by the desire to more successfully carry the message of recovery to the addict who still suffers. It was for this reason that we began this work. We must always remember that as individual members, groups and service committees, we are not, and should never be, in competition with each other. We work separately and together to help the newcomer and for our common good. We have learned, painfully, that internal strife cripples our fellowship; it prevents us from providing the service necessary for growth." Page xvi, Narcotics Anonymous (fifth edition)
